COVID-19: ACH Payments

March 30, 2020

In light of recent safety concerns stemming from COVID-19, we would like to remind you that as an Alliant National agent, you have the option to submit electronic ACH (Automated Clearing House) payments.

ACH payments provide an alternative to paper checks and have several advantages. Notably, this payment method can help protect your team and ours by eliminating the need for paper check handling. ACH payments are also convenient. They can be made as a single amount for all remitted policies.

If you would like assistance setting up the ACH process, please contact Amanda Brening via email at abrening@alliantnational.com or by phone at (303) 682-9800 x535. Amanda will be happy to walk you through the process.

You can also contact Amanda with questions or comments.
